Jenkintown-Wyncote Station Parking Garage Feasibility Study Public Meeting

Dear Stakeholder:

The public is invited to an informational meeting for the Jenkintown-Wyncote Station Parking Garage Feasibility Study on **Thursday, June 17, 2004, from 7:00 p.m. to 9:00 p.m. at Curtis Hall** at the Church Road and Greenwood Avenue intersection in Wyncote, PA 19095.

At the public workshop, residents and business owners will have the opportunity to hear about a feasibility study that addresses the possible siting of a structured parking garage at the Jenkintown-Wyncote Station site, ongoing engineering and other studies, and learn more on how to participate in the process.

The Jenkintown-Wyncote Parking Garage Feasibility Study is a combined effort of the Montgomery County Planning Commission, Cheltenham Township, Jenkintown Borough, and the Southeastern Pennsylvania Transportation Authority (SEPTA), in cooperation with the Delaware Valley Regional Planning Commission (DVRPC). The focus of the study is to evaluate the feasibility of constructing a parking garage at the Jenkintown-Wyncote Station site and resolve any issues associated with its construction, including vehicular traffic flow and pedestrian access.

If you have any questions regarding the study, please do not hesitate to contact me at 610.278.3746 or by email at lbagley@mail.montcopa.org.

Sincerely,

A handwritten signature in black ink, appearing to read "Leo D. Bagley".

Leo D. Bagley
Section Chief - Transportation
